Soccer Uniforms for Haiti

The Caledon Soccer Club has decided to collect used soccer uniforms to send to Haiti to help them after the devastating earth quake that hit early this year. We need volunteers to help get this accomplished! Please consider helping us out with this worthwhile cause. You can let us know via email at info@caledonsoccer.com, phone 905-584-4033, or at our last registration held March 24th (see above).

A bad soccer team is like an old bra - no cups and little support.
